MEET THE NEWEST ARRIVALS TO MILL CREEK FARM

Lady Snow

Joan

25 Year Old Chestnut QH Mare

Found starved and abandoned near the Everglades, Joan was rescued by the South Florida SPCA. Her right eye is sunken. It is unknown how long she had to endure her abandonment...suffering from starvation, lack of water, shelter and companionship.

Gertie

30 Year Old Black QH Mare

Gertie was rescued by Hope Equine Rescue numerous times. After rehabilitation, she was adopted three different times and was returned (due to no fault of her own.) She has survived starvation...not once, but twice in her lifetime. Gertie has endured abandonment, numerous relocations, and the absence of human kindness. She is blind in her right eye.

Hannah

22 Year Old Gray Trakehner Mare

Hannah was rescued at a barn by the South Florida SPCA. Not much is known about her except that she exhibits a favorable temperament. Since being at RHH, she has *greatly* exhibited her love of carrots!

Bubbles

Bubbles was rescued by the South Florida SPCA at a foreclosed house in Miami. It is unknown how long she was forced to forage for food and water.

Snowflake

23 Year Old Flea Bitten Gray Arabian Mare
