

The Retirement Home for Horses, Inc. MILL CREEK FARM GAZETTE

VOLUME III ISSUE XI NOVEMBER 2016

In November we welcomed our newest retiree, Captain Jack, to his forever home, had some incredible groups come out to help us continue on with our trimming and clearing projects, had our 3 farriers out to give all the horses' hooves a trim, met an amazing brother and sister and share our wildlife picture of the month.

Meet Captain Jack

21 year old sorrel gelding (with roan patches on his rump)
Captain Jack was rescued by Faith Equine Rescue in Lakeland, Fl in a cruelty case. He was adopted out but then brought back after the new owners decided he had outgrown their daughter's needs and no longer wanted him.

He's blind in one eye but it doesn't seem to slow him down. We hope Captain Jack has a very long retirement here at RHH.

Wildlife Picture of the Month The Florida Cooter Turtle

The Florida Cooter, *Pseudemys floridana*, grow to a maximum length of 15 inches. They are the most commonly seen turtle in Florida Waterways. We have to keep a close eye out when we are on the tractor as they come to high dry land to lay their eggs.

Tree Trimming Continues

We are tremendously grateful to these wonderful volunteers for their work on behalf of all the horses: English Language Institute, Uoff Law Student Association and Phi Alpha Delta, Fisher School of Accounting Council at Uoff, the Pre-Veterinary Medicine Club at Uoff, Giuliana Pezzella and members of her Oral Communications Class.

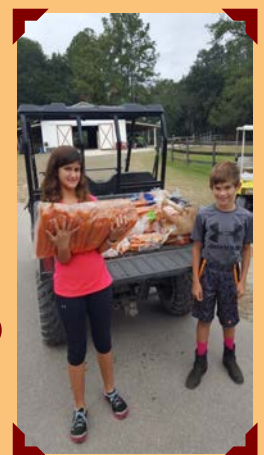

Special Thanks to our Steven and Justin for helping out with all the groups.

Thank you everyone for a job well done!

Two Very Special Friends of the Horses..... LEXY, 11 years old, and her brother LUCAS who is 9, have birthdays a week apart. Instead of presents they wanted their friends to bring bags of carrots instead. They brought out over 200 lbs. of carrots and apples for the horses.

A special THANK YOU from all the horses to Lexy & Lucas!
