

# MILL CREEK FARM GAZETTE

VOLUME I ISSUE VI

DECEMBER 2014

*This year has brought us some challenges and changes, but what always remains the same is our love for the horses of Mill Creek Farm and our promise that they will receive the very best care and lots of love.*

*For the horses retired from government service or therapeutic riding programs, we provide them a place of tranquility where they can relax and rest their sore feet and backs. For those that come to us from rescues, some who have endured what no living creature should have to endure, with scars (both emotional and physical), we strive to ensure that they know they are safe, that they are loved and that they will never go hungry or be approached with anger ever again; we will do whatever it takes to make sure their years with us are the best of their lives.*

*We are so thankful for all of our supporters and volunteers, because all of you are truly who make this possible. Thank you for your kindness, your donations and your hard work. We couldn't do it without you. May 2015 bring us all good health and happiness!*

*Much love from the horses of Mill Creek Farm,  
Mary and Paul Gregory*
